### **About The Movement Centre of Manitoba**

The Movement Centre of Manitoba is a registered charity that is committed to improving the physical health of children and adults with physical disabilities. Through the teachings of Conductive Education rehabilitation, we strive to maximize the independence of our clients. We provide movement and learning opportunities with appropriate motivations and expectations, in order to overcome the challenges faced by the physically impaired population.

The Movement Centre of Manitoba is one of only two centres in North America to provide Conductive Education rehabilitation beyond school age and into adulthood.

Conductive Education rehabilitation is effective for those individuals with cerebral palsy, MS, stroke, head injury, and Parkinson's disease.
