## About The Movement Centre of Manitoba

The Movement Centre of Manitoba is a registered charity that is committed to improving the physical health of children and adults with physical disabilities. Through the teachings of Conductive Education rehabilitation, we strive to maximize the independence of our clients. We provide movement and learning opportunities with appropriate motivations and expectations, in order to overcome the challenges faced by the physically impaired population.

Conductive Education rehabilitation is effective for individuals of all ages living with neuro-motor disorders such as cerebral palsy, MS, stroke, acquired brain injury, developmental delays, Parkinson's disease.
