About the Movement Centre of Manitoba

The Movement Centre of Manitoba is a privately funded registered charity and the only one of its kind in Manitoba, that specializes in providing conductive education (CE) rehabilitation and therapy to children and adults living with neuromotor disorders such as cerebral palsy, MS, stroke, acquired brain injuries, developmental delays, spina bifida and Parkinson's disease.

Every dollar donated helps and impacts our programs. Hear what some of our clients and their loved ones have to say about how the Movement Centre has impacted their lives:

[Olivia's Story](#)

[Brody's Story](#)

CE operates on the premise of neuroplasticity and that no matter how severe the disability, people can learn and improve when motivated. Therefore, increasing their functional independence, gain or regain mobility and increased confidence in their everyday lives.
