Southwood Golf & Country Club

Registration 11:30am

Shotgun: 1pm

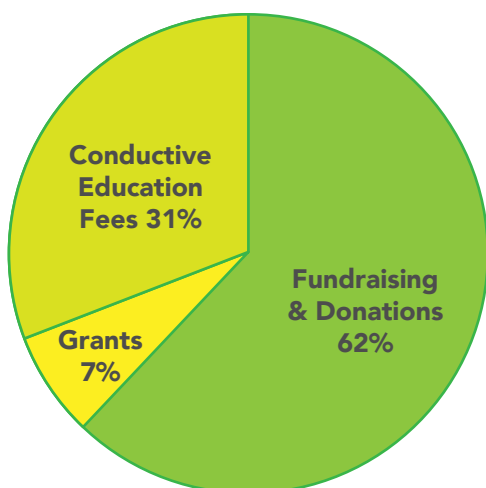

MOVEMENT
CENTRE OF MANITOBA
25 years of transforming lives

WHO WE ARE

The Movement Centre of Manitoba is a not-for-profit registered charity that specializes in unique, evidence-based Conductive Education (CE) rehabilitation therapy to help children and adults living with disabilities. Our programs empower our clients to live their best lives with independence, freedom and hope, one step at a time.

WHY WE NEED YOUR SUPPORT

Your sponsorship is vital to reaching our record-setting goal of \$150,000. The Movement Centre receives no government funding and relies solely on community partners to keep our doors open. We help over 100 families and their loved ones every year, and with an ever-growing waitlist we remain committed to our vision of providing affordable access to our programs.

MEET MAX

“Max is an amazing little boy. He is happy, is engaged with the people around him, and is able to keep up with his peers. He has friends, he loves school, and he participates in the community. He would not be doing these things without the Movement Centre. Every week when we drive to the Centre I am thankful that this program exists, thankful for the staff that dedicate their lives to helping children and adults like Max reach their full potential.”

– Liz Bannister (Max’s Mom)
